Sir Jemes Whitney is as stubborn as ever. He positively rofuses to give up the ship.

The loss of vessels and waste through negligence and incompetence at Port Nelson need some explanation from the Government.

It cost the Manitoha Government 893,334,92 to elect its candidate in Ginili. That amount was spent in the fiscal year ended Nov. 30, 1913, for drains, roads and bridges. The whole amount for the whole Province only amounted to \$83,0000. The money was poured into Gimili, the Winnipeg Free Press believes, to help elect the Tory candidate.
